

Dedication of the Cross

Dear God,

Thank you for the empty cross that reminds us of the sacrifice you made for us through the life of Jesus Christ.

Thank you for the grace and mercy and forgiveness that was gifted to us by Christ through his death on that cross.

Thank you for the empty cross that reminds us that Jesus didn't stay on the cross, but overcame death, so we could do the same.

Thank you for the love that you have for all of your children, young and old.

Help us live into that love in ways that change the hearts of those around us.

Thank you for the life and legacy of Denay Haire. For her sweet spirit, and the way she lived for you.

May this cross be a reminder for this community and all those who pass by, and may it be a reminder of your great love and promise.

All the glory, honor, and praise belong to you.

And all of God's people say:

Amen.
